

September-December, 2009

Vol. II

As the Christmas Season quickly approaches, we at Crews & Pesquera wish to thank all our clients who trusted us to take care of their personal injury and/or criminal defense cases. It has certainly been an honor to represent folks of all walks of life and help them through very difficult situations. Crews & Pesquera is here to help and will continue to provide excellent representation in the years to come to everyone that steps into our offices showing always the respect and integrity that distinguishes us from the rest. We certainly hope this Christmas Season brings lots of joy and that the New Year comes full of blessings to you and your loved ones. SEASON'S GREETINGS TO EVERYBODY!!!

These past months have been busy at Crews & Pesquera. On September 26, 2009 we celebrated with local AM radio station Radio Luz their 15<sup>th</sup> Anniversary as the main sponsor in their annual festival held at the Central Florida Fairgrounds. We had the opportunity to share with over 5,000 people that attended the event and distributed over 1,000 tote bags with our logo.

During the month of October we participated in three different functions celebrating the Hispanic Heritage Month. The first week we joined forces with the Hispanic Chamber of Commerce of Metro Orlando and sponsored two events of the Latin Food and Wine Festival. On Saturday, November 2, 2009 we sponsored a function held at the Red Coconut Bar in Universal Studios where we had about 450 attendees. On the following day, we sponsored the music stage at a day-long food and wine tasting held at the Dellagio shopping center in South Orlando. What a treat that was! We strongly recommend you attend next year.

The following week partners Ricardo R. Pesquera and Bryan W. Crews, Chairman of the Board of the Down Syndrome Association of Central Florida participated in their annual Walk-A-Thon held to raise both awareness and funds for the association. A week later, we sponsored Calle Orange festival together with local TV station Univision (Channel 26) and local FM radio station Mega 98.1. More than 1,500 people came

by our booth to meet us and at times have their photos taken with Attorney Pesquera. Over 1,000 tote bags and hand-fans with our logo were distributed.

In the month of November Crews & Pesquera continued with their already well-known community involvement. The first weekend of the month we flew kites with over 2,000 needy children who came by our booth during a function held by Orange County District 3 Commissioner Mildred Fernández. Crews & Pesquera distributed 2,000 kites bearing our logo to children of all ages that were then flown during the afternoon. What a sight this was!

This past 20<sup>th</sup> day of November, we held our long-expected ribbon cutting ceremony to celebrate our new partnership with clients, doctors, lawyers, elected officials, judges, pastors and friends. What a party! We had over 200 guests who shared with us the celebration until almost midnight. Good food, drinks and music were abundant and long-lasting friendships were developed. Crews & Pesquera, Tu Mano Amiga, is here to stay!

Finally, we are now getting ready for our annual sponsorship of a Christmas celebration for a needy family of our community. As customarily done, our firm will collect money from all its members to buy a Christmas tree, food and gifts for a family who otherwise could not enjoy their Christmas. Further, we will donate \$500.00 in food to two Central Florida needy Hispanic families.

Please remember to drive carefully during this Holiday Season. Nonetheless, if something does happen, remember always that Crews & Pesquera, Tu Mano Amiga, is here to help!!

MERRY CHRISTMAS AND A HAPPY NEW YEAR!

RICARDO R. PESQUERA
